We very much appreciate the support we receive from the corporate community for the ‘Night of Nights’ Ball, one of our major annual fundraising events. We understand it may not be possible to determine specific support so far in advance of the event, so this form is not a formal commitment as such. It does however, greatly assist us with our planning in identifying potential supporters for the 2012 ‘Night of Nights’ Ball.

Please fax this form to Youth Focus on 6266 4300 and we will contact you at a later date for final confirmation of your table booking and/or involvement in our Major and Silent Auctions at next year’s ball.

Again, thank you for your support; you have truly made a difference.
